 - † Personal statement (500-750 words) explaining how you meet the admissions requirements of potential for excellence in graduate level academic work in the field, potential for success in industry, and other information that you feel will support your application.

brief recommendation over email to the
MSREE program director.

Last Name	First Name	Student ID number
Other names(s) that may appear in your academic records	Major	
EERE Faculty Reference 1	EERE Faculty Reference 2	Academic Advisor
...I have a confirmed source of funding to cover at least an additional year of schooling AND my graduate studies		Interested in a GA position for full time grad students (9 grad cr/term) ..Yes ..No

I understand that this application will only be considered if I have met the requirement of a 3.0/4.0 GP major and for my most recent 90 credit hours. Admittance to the BS/MSREE concurrent program is a process, and is not guaranteed for Oregon Tech undergraduate students.
