Oregon Institution of Technology Faculty Senate Natures - November 6, 2018

- More information will ome at a later date.

Department schelling and year-long plans.

The new Department of the policy. Currently there appears to be a problem with all chairs knowing how to review expenses budgeting in adjunct and overload pay foll costs.

Report of the ASOIT

- Junmin stated that As one for opt on one, t
- 0
- He is going to the Po

presentative – Junnuir, Yee

IT did conduct a stude at turvey regarding calendar change. The students voted two to proposal will be presented to President Council for a decision December 4, 2018. Junmin expressed that it is to everyone for participation in their latest blood drive. nd-Metro campus to niect with ASOII officers and stude its. ASOIT has obtained have ended hours for studying at the library gain during dead vicek and finels week.

Reports of Standing mmittees

Faculty Rank Promoting & Tenure (RP1) - Ben Bunting

- Ben stated the comm
 - They are reviewing
- RPT also hopes to we
- he has met and is beginn in g work on the following two charges:

They will revisit the NTT policy to obtain fee back from fa ulty. he APE form for I brain aculty.

with members of the Oregon Tech AA JP organizing group to avoid everlapping efforts.

Faculty Welfare - Yas

- Additional informatic

Rohwer

Yasha stated the completee will meet tomorroy, November 7. He read the committee's two clarges will be forthcoming at a later date.

Academic Standards

Veronica Koehn

- O | Veronica stated that t
- She stated that regard
- committee will meet next Tuesday, Nor imber 13.

their first charge, hey are looking at what CPC does versu what Acac emic Standards does and reviewing the lationship between the to no and how by to move forward.

For their second char "Academic Standards is I poking at requiring a grade of C ch higher in every general education course, and they know that such a chunge will require aput from both C C and GEAC."

Faculty Compensation FCC) – Eve Klop

- - faculty salary calcinion.

 - benefits, compile
- Eve stated the committee has not yet met. She did read their charges:

 - Request data in conference with Oregon Techn AAUP from Human Resources related to the development of the current \$3,356 by y differential and make a undependent evaluation of the viblidity of that figure for
 - Request data in conference eration with Oregon Tech AAUP from Human Resources related to the current MGT Study Faculty Sala Minimums Tables document and updat that document based on current comparator
 - Survey Oregon Tent faculty in cooperation with Oregon Tent AAUP with regard to concerns about pay and ults, and make a report to Senate by a cotte to be determine I later.
