

Article 1 - Notices and Communications

In less than otherwise provided in this agreement, Oregon Tech and the Association will send all customary or required notices and communications either by email, in person, or to campus mailboxes to _____ for notices to Oregon Tech and to _____ for notices to the Association. If by campus mailbox, an email must be sent to advise that the campus mailbox has been used.

In less than otherwise provided in this Agreement, the Parties shall send all customary or required notices and communications by the method requested; if a receipt is not acknowledged either through the automated read message notification or a response email within three (3) business days, then in person to the parties as identified below; if not possible to deliver in person, then by registered first class U.S. Mail.
