

Campus Safety

Assessment Plan 2023

# Campus Safety

## Assessment Plan 2023 Beyond

Assessment Cycle: 2021-2024

Group	Objective	Timeline	Action Plan	Outcome Measure
	Collaborate with others to establish ways for the campus community to provide feedback, information or even concerns about campus parking.	2023/2024 academic years	Solicit campus students, faculty, and staff to provide feedback for efficient parking on campus. Provide surveys to the campus community, schedule meetings that include off-campus stakeholders	Monitor feedback from the campus community and others regarding the latest parking modifications.
	Position Active Assailant training as a mandatory requirement for all faculty, staff, and students	2022/2023 academic year	Meet with executive staff to point out the extraordinary benefit of training in this much-needed cause.	Training in Active Assailant will empower groups of community members to know what can be done if an active assailant is ever dealt with on campus.
