Fall 2023 Applications Report
As of October 24, 2023 - 4th Week

The following report compares Fall 2023 applications to the same day last year and to the Final 4th week Fall 2022 Applications
Re-admits, non-admits and term change applications are excluded with exception of high school non-admits (ACP & HST)
Incomplete applications are not reported until all required materials have been received and a decision is made
Enrolled student counts are based on the type of application the student completed; however a student may enroll under a different status after transcript evaluation

Spring 2023 to Fall 2023 Student Retention
As of October 24, 2023 - 4th Week

(1) The following report tracks Fall 2023 registration status for students that were enrolled as of Spring 2023 4th Week

(3) Students with graduation applications for Spring and Summer term have been removed from the calculation for precent retained.
(4) Students not registered could fall under multiple criteria such as "Have Graduation Application" and "Have Registration Holds" and are "Non Degree Seeking Students".
The three columns noted above are for information purpose only and "Will Not" add up to Total Not Registered for Fall as not every student Springs under these criteria.

College of ETM
