Student Name _____ Preferred Name _____ Student ID: _____

Phone: _____ Oregon Tech Email: _____

An increased budget does not always result in an increased award amount.

Under certain circumstances the Financial Aid staff may be able to adjust your budget or award amounts. If you feel that you have extenuating circumstances and your current financial aid award will not adequately cover your educational expenses, please complete this form, attach relevant documentation and return to the Financial Aid office.

Both the Expected Family Contribution (EFC) calculation and the miscellaneous portion of your Cost of Attendance budget have a portion for medical expenses; however, if you have unusually high medical bills not covered by insurance, we may be able to consider those. Budget may be increased for additional rent, computer expenses, childcare, senior projects, or any other miscellaneous expenses that are educationally related. All requests must be resubmitted each academic year to ensure their accurate completion.

Budget Increase Maximums

It is the policy of the Oregon Tech Financial Aid Office, that we will increase your Cost of Attendance budget with proper
