

**580-063-0000****Authority**

These rules establish the procedures that will be followed by the Institutions to erect, improve, repair, maintain, equip, and furnish buildings and structures under the control of the Board.

Stat. Auth.: ORS 351.060

Board, or prepares other than conceptual plans or preconstruction design, the Institution will obtain approval as set out in this rule, regardless of the source of funds or method by which the project is to be financed. To obtain approval, the Institution will describe the project, the financing plan for design and construction, and the operation and maintenance cost of the proposed project.

(1) If appropriate Systemwide limitation exists for a Capital Construction project that totals \$500,000 or more but less than \$5 million, inclusive of all fund sources, the Chancellor or designee may approve the allocation of the existing expenditure authority to the Institution.

methods that use Construction-Related Services include, but are not limited to: conventional construction services, design-build, construction manager at risk, agency construction management, and performance contracting.

(2) "Professional Consultant" means architects, engineers, planners, land surveyors, appraisers, construction managers, and similar professional consultants.

(3) "Capital Construction" means any construction or facility improvement that costs \$500,000 or more and is not considered maintenance or repair.

#### **Procurement and Contracting Procedures**

The procedures set out in OAR 580-061-0000 through 580-061-0160 will be used for the procurement of Construction-Related Services (Health Professional Consultants) and (Capital Construction) (ORS 351)

(b) Publishes a notice of the procurement on the OUS procurement website and, if beneficial to the procurement, in a trade periodical, newspaper of general circulation, or other minority, women, and emerging small business targeted periodicals, institutional website, or other medium for advertising. The notice must specify when and where the Solicitation Document may be obtained and the Closing Date/Time. The notice must be published for a duration reasonable under the circumstances for the procurement.

(c) Conducts the procurement in accordance with chapter 580, division 61, section 0000 through 0160.

(4) Emergency Procurement. The Institution President, Chancellor, or designee may declare an Emergency when such a declaration is deemed appropriate. The reasons for the declaration will be documented and will include justifications for the procedure used to select the Contractor or Professional Consultant for a Contract or Public

(D) The public agency will be solely liable to resolve all disputes that may arise from breach of contract.

(E) The OUS Capital Construction, Planning, and Budget Office may impose a reasonable administrative fee on the public agency using the Retainer Contracts based on the compensation for services procured to recover administrative costs, legal review fees, and to improve or expand retainer programs.

(c) The OUS Capital Construction, Planning, and Budget Office will maintain an electronic roster of all Professional Consultants and Contractors who have entered into Retainer Contracts. Institutions that utilize retainer programs will follow the procedures established in these rules and will only execute contracts from templates that have been approved for each respective retainer program.

(6) Sole Source. A process where the Institution President, the Chancellor or designee has made a Written determination that due to special needs, experience, or qualifications, only a Single Seller is reasonably available to provide certain Professional Consultant services, Construction-Related Services, or a combination of Professional Consultant services and Construction-Related Services. Sole source procurement will be avoided except when no reasonably available alternative source exists.

(a) Authority. Institutions may authorize sole source procurements up to \$1,000,000 cumulative for all Institution projects throughout a fiscal year. The Chancellor or designee may authorize sole source procurements up to \$5,000,000 cumulative for each Institution's projects throughout a fiscal year. The Finance and Administration Committee of the Board will approve all other sole source procurements.

(b) Each Institution will provide public notice of its determination that the Professional Consultant services, Construction-Related Services, or combination of Professional Consultant services and Construction-Related Services are only available from a Single Seller. Public notice may be provided on the OUS procurement website. The public notice will describe the Professional Consultant services, Construction-Related Services, or combination of Professional Consultant services and Construction-Related Services to be acquired from the Single Seller, identify the prospective Professional Consultant or Contractor, and include the date, time and place that protests are due. The Institution shall give Entities at least seven (7) Days from the date of notice publication to protest the sole source determination.

(c) On an annual basis, Institution Presidents, or their designees will submit a report to the Finance and Administration Committee of the Board summarizing approved sole source procurements for the Institution for the prior fiscal year. The report will be made available for public inspection.

(7)(a) Special Procurement.

(b) A special procurement is an exemption from competitive procedures that the Finance and Administration Committee of the Board determines is appropriate because it:

(A) Is reasonably expected to result in substantial cost savings to the Institution or to the public;  
or

(B) Otherwise substantially promotes the public interest in a manner that could not practicably be realized by complying with others processes described in this rule.

## **580-063-0025**

### **Contracts for Professional Consultants**

Institutions will use one of the following two procedures when contracting for Professional Consultant services:

(1) OUS Capital Construction Retainer Program for Professional Consultants.

(a) For Professional Consultant service contracts where the anticipated Contract Price, including consultant fees, reimbursable expenses, and all amendments contemplated by the parties is \$100,000 or less, the Institution may select a Professional Consultant that has entered into a Retainer Contract.

(b) For Professional Consultant service contracts where the anticipated Contract Price, including consultant fees, reimbursable expenses, and all amendments contemplated by the parties is \$100,000.01 to \$250,000, the Institution must select at least three Professional Consultants who have entered into

(b) \$25,000.01 to \$100,000 — Informal Procurement, Formal Procurement, or other method of procurement, except the Direct Procurement method, that the Institution deems beneficial to the procurement.

(c) Greater than \$100,000 — Formal Procurement or other method of procurement, except the Direct Procurement or Informal Procurement methods, that the Institution deems beneficial to the procurement.

### **580-063-0030**

#### **Contracts for Construction-Related Services**

Institutions will use one of the following procedures when procuring Construction-Related Services for a Contract or Public Improvement Contract:

(1) OUS Capital Construction Retainer Program for Construction-Related Services.

(a) For Construction-Related Services Contracts or Public Improvement Contracts where the anticipated Contract Price, including reimbursable expenses and all Change Orders contemplated by the parties is \$50,000 or less, the Institution may select a Contractor that has entered into a Retainer Contract.

(b) For Construction-Related Services Contracts or Public Improvement Contracts where the anticipated Contract Price, including reimbursable expenses and all Change Orders contemplated by the parties is \$50,000.01 to \$500,000, the Institution must select at least three Contractors that have entered into Retainer Contracts to provide Bids or Proposals for the service. Selection of a Contractor from submitted Bids or Proposals will be based on the criteria set forth in the Solicitation Document. In the event that fewer than three Contractors are on the retainer that can provide the required service, the Institution may proceed with fewer than three Bids or Proposals.

(c) For Construction-Related Services Contracts or Public Improvement Contracts where the anticipated Contract Price, including reimbursable expenses and all Change Orders contemplated by the parties is \$500,000.01 to \$1,000,000, the Institution will post an advertisement of the opportunity on the OUS procurement website. All eligible Contractors that have entered into Retainer Contracts will have an opportunity to submit a Bid or Proposal in response to the opportunity. Selection of a Contractor from submitted Bids or Proposals will be based on the criteria set forth in the Solicitation Document.

(a) \$25,000 or less —

All major facility projects will be planned, designed, constructed, and renovated to meet high performance building standards for energy efficiency and environmental sustainability as defined by the Department of Energy and the State of Oregon.

(1) State Energy Efficiency Design is the policy of the State of Oregon that facilities to be constructed or purchased by authorized state agencies be designed, constructed, renovated, and operated so as to minimize the use of nonrenewable energy resources and to serve as models of energy efficiency per ORS 276.900 through 276.915.

(2) Green building design and construction is an integral part of OUS Capital Construction. Institution projects should consider design standards that incorporate the 'Leadership in Energy & Environmental Design' (LEED) Silver standards or higher standards, which promote buildings that significantly reduce or eliminate the negative impact of buildings on the environment and occupants.

### **580-063-0045**

#### **Retainage Processing Charges**

(1) The Institution may require a retainage for Construction-Related Services Contracts under \$1,000,000. For Construction-Related Services Contracts over \$1,000,000, the Institution will withhold a retainage.

(2) An Institution will not retain an amount in excess of five percent (5 percent) of the Contract Price for Work completed. If the Contractor has performed at least fifty percent (50 percent) of the Work and is progressing satisfactorily, upon the Contractor's submission of Written application containing the surety's written approval, the Institution may, in its discretion, reduce or eliminate retainage on any remaining progress payments. The Institution will respond in Writing to all such applications within a reasonable time. When the Work is ninety-seven and a half percent (97.5 percent) completed, the Institution may, at its discretion and without application by the Contractor, reduce the retained amount to one hundred percent (100 percent) of the value of the remaining unperformed Work. An Institution may at any time reinstate retainage. Retainage will be included in the final payment of the Contract Price.

(3) For Construction-Related Services Contracts over \$1,000,000 the Contractor may request that the retainage be deposited in an interest-bearing account at a financial institution. Title to such funds will remain with the Board until the Work is complete and accepted by the Institution. Interest on deposited retainage accrues to the benefit of the Contractor and will remain in the retainage account until the Work is accepted. The Institution may deduct fees necessary to open and maintain an interest-bearing account.

(4) Alternatives to cash retainage. In lieu of cash retainage to be held by the Institution or financial institution, the Contractor may substitute one of the following:

(a) Deposit of securities:

(A) The Contractor may deposit bonds or securities with the Institution or in any bank or trust company to be held for the benefit of the Institution. In such event, the Institution will reduce the retainage by an amount equal to the value of the bonds and securities, and reimburse the excess to the Contractor.

(B) Bonds and securities deposited or acquired in lieu of retainage will be of a character approved by the Controller's Office, including but not limited to:

(i) Bills, certificates, notes, or bonds of the United States.

(ii) Other obligations of the United States or its agencies.

(iii) Obligations of any corporation wholly owned by the federal government.

(iv) Indebtedness of the Federal National Mortgage Association.

(C) Upon the Institution determination that all requirements for the protection of the Institution's interests have been fulfilled, it will release to the Contractor all bonds and securities deposited in lieu of retainage.

(b) Deposit of surety bond. An Institution, at its discretion, may allow the Contractor to deposit a surety bond in a form acceptable to the Institution in lieu of all or a portion of funds retained or to be retained. A Contractor depositing such a bond will accept surety bonds from its subcontractors and suppliers in lieu of retainage. In such cases, retainage will be reduced by an amount equal to the value of the bond and the excess will be reimbursed to the Contractor.

(5) An Institution will recover from the Contractor all costs incurred in the proper handling of cash retainage and securities, by reduction of the final Contract payment.
