

Visiting Summit Patron Application

Authorized patrons (students, faculty and staff of the *Orbis Cascade Alliance* member institutions) can borrow materials from the Oregon Tech Library. As a Visiting Patron at another Alliance member library you are responsible for having the information and identification required for checking out materials at that library. The Oregon Tech Library cannot directly access your patron record (at your home institution), and may not be able to assist you individually.

To register, you are required to:

- Be a currently active patron of an institution affiliated with the Orbis Cascade Alliance
- Provide a *current* I.D. showing your affiliation with your member institution
- Provide your personal institution's I.D. number I have read the above and agree to all conditions:
